“World Class Urogynecology Care to Improve Women Quality of Life”

Report for IUGA

Venue : Intercontinental Hotel, Pondok Indah, Jakarta

RSCM Kintani, Jakarta

Time : February 23th – 26th, 2019

Himpunan Uroginekologi Rekonstruksi Indonesia (HUGI) Annual Meeting 2019 is a four days International Conference held in Jakarta, and endorsed by International Gynecological Association (IUGA). This Annual Meeting was held with theme “Improving Women's Quality of Life Nationwide”. Prof. Dr. dr. Budi Iman Santoso, SpOG(K), MPH as The President of HUGI and was Dr. dr. Suskhan Djusad, SpOG(K) as the chairman of this annual meeting.

HUGI Annual Meeting 2019 is a comprehensive program which provide a forum for GP, OBGYN, and Urogynecologists who put interest in urogynecology problems such as urinary incontinence, pelvic organ prolapses, sexual dysfunction, etc. This scientific program focuses on the current issues which cover cutting edge topics in daily practice, the most recent development and management of the rapidly evolving health care requirements, as well as the crucial challenges

concerning about the country facilities. And for this year annual meeting, we have International speakers form IUGA members.

HUGI Annual Meeting 2019 consisted of 2-day workshop, 2-day symposium and one day of Live Surgery.

We opened our pre-congress with two workshops. The first workshop was “**Pelvic Floor Anatomy for Save Pelvic Floor Surgery**” with Dr Jenny King OAM FRANZCOG CU (Chair of UGSA) and Dr Christopher Barry MBBS, FRCOG, FRANZCOG, from Australia, as the instructors. The other was “**Pelvic Floor Ultrasound Workshop**”, guided by two instructors, Hans Peter Dietz MD (Heidelberg) PhD (UNSW) FRANZCOG GGU CU from Australia and dr. Fernandi Moegni, SpOG(K), Reconstructive Urogynecologist Consultant from Indonesia.

The next two days was the main congress. Thirty one lectures were scheduled, with 7 International Speakers as Jimmy Nomura, MD PhD (Japan), Masami Takeyama, M.D., Ph.D (Japan), Dr Jenny King OAM FRANZCOG CU (Australia), Prof. Hans Peter Dietz, MBChB, MD, NZREX, FRANZCOG, DDU, CU, PhD (Australia), Professor Dr. Christopher Chong Yew Luen (Singapore), Suvit Bunyavejchevin, MD (Thailand), Dr. N. Rajamaheswari MD., DGO., MCh (India), Lisa Teresa T. Prodigalidad - Jabson, M.D (Philippines), Dr. Aruku Naidu AMP, PMP (Malaysia), and Assoc. Prof. Dr. Sivakumar S Balakrishnan (Malaysia) sharing their knowledges and experiences based on their subspecialties in Urogynecology. It was a two ways communication with the audience during the lecture and discussion session. There were Indonesian consultant from HUGI contributed too being moderator and speaker. There was Free Paper presentation Competition also. All free papers were selected into 5 top best free paper and presented in this congress.

For the fourth day, the participant were given the opportunity to join live surgery with 4 different cases, as Sacrospinous Hysteroscopy, Colporrhaphy Anterior, Colpoperineorrhaphy; Stress Urinary Incontinence Surgery- Trans Vaginal Tape + USG; POP Surgery- Transvaginal Mesh; and LEFORT Colpocleisis. The operator in a row are dr. Amir Fauzi, SpOG(K) (Indonesia), Jimmy Masayoshi Nomura, MD, PhD (Japan), Masami Takeyama, MD, PhD (Japan), and Tyas Priyatini, dr., SpOG (Indonesia).

Sincerely, we would like to say thank you to IUGA for endorsing our program. The program went well with total 200-ish participants and received lots of compliments, either from International or

National participants. Hope we're not disappointed IUGA as IUGA has helped us a lot for contributing in our Annual Meeting.

And we're looking another cooperation for the next HUGI Annual Meeting in 2020.

Best wishes from Indonesia,

HUGI 2019 COmmittee
