

Home of Urogynecology!

IUGA Connects and expands your network: Your membership brings you into a worldwide community of 3,000+ like-minded professionals, fostering meaningful connections and discovering shared experiences.

How do we help you achieve this?

- ✓ Connect with 3,000+ global field experts and leaders through **IUGA's network**.
- ✓ Be included in the **"Find a Provider" Directory**.
- ✓ Discuss, share, and network on the **IUGA E-Discussion Forum**.
- ✓ Engage in multi-center international studies through the **Research Partner Network**, facilitating recruitment and participation.

IUGA Informs and keeps you ahead: Your membership ensures you stay on the cutting edge of urogynecological advancements, offering exclusive insights to navigate the evolving field with confidence.

How do we help you achieve this?

- ✓ Be fully subscribed to the **International Urogynecology Journal (IUIJ)** (a value of \$175 if purchased individually) and **buy with 25% off** on all books published by Springer.
- ✓ **Publish your research open access in the IUIJ with a 15% discount** on the Article Processing Charge (APC) for open-access articles.
- ✓ Stream-on-demand **IUGA Webinars** and **Interactive Networking Sessions**. Receive the **IUGA Spotlight** and the **IUGA Insider** with the latest insights and news in your inbox.

IUGA Educates and fosters growth: Your membership is an investment in your continuous growth and professional advancement, where education isn't just about learning; it's the pathway to excellence.

How do we help you achieve this?

- ✓ Register with significant discounts for all IUGA events: **Annual Meeting, International and Regional Symposia**.
- ✓ Get unrestricted access to the **IUGA Academy**, our learning portal full of resources: E-Lectures, Annual Meeting materials, webcasts, videos, and more.
- ✓ Enroll in any of the IUGA Programs: **PROTECT (Prevention and Repair Of perineal Trauma Episiotomy through Coordinated Training), Fundamentals Course, Pelvic Floor Imaging Course, Special Interest Groups (SIGs)**, and others.

IUGA Transforms and empowers change: Your membership empowers you to create a legacy, shaping not only your practice but also the future of urogynecology and influencing the lives of your peers and patients.

How do we help you achieve this?

- ✓ Volunteer for **IUGA Committees, Special Interest Groups (SIGs), FIUGA, YourPelvicFloor.org** patient leaflet translations, writing groups, surveys, and other special projects.
- ✓ Earn an opportunity for a **research or observership grant**.
- ✓ Get discounted informative patient education materials for your office at the online **IUGA Store**.

Join the IUGA community – the home of urogynecology – where every connection, every piece of knowledge, every shared idea, and every positive change contributes to our collective journey. **What's in it for you?** A thriving community, continuous learning, global recognition, and the power to impact the field of urogynecology and the lives of women around the world suffering from pelvic floor disorders.
