

Directions to Croydon University Hospital

Train

- **THORNTON HEATH** - From Thornton Heath Train Station, Southern railways provides regular direct rail links to London Bridge and Victoria, as well as links to Epsom and Sutton.
To walk from Thornton Heath station takes 10-15 minutes.
Exit the station and turn right on to Brigstock road, continue walking until you reach London Road, turn left on to London Road, and Croydon University Hospital will be on your left hand side.
NB: there are no taxi services at this station.
- **WEST CROYDON** - From West Croydon, South Central provides regular direct rail links to central London serving London Bridge and Victoria, as well as principal places such as Clapham Junction, Epsom, Sutton and Wallington.
To walk from West Croydon station takes approximately 15 - 20 minutes.
Exit the station and turn right on to London Road, from here continue walking until you reach Croydon University Hospital which will be on your right hand side.
Taxi services are available from this station.

- **EAST CROYDON** - Alternatively from East Croydon, South Central trains run direct to Brighton, Caterham, Crawley, East Grinstead, Gatwick Airport, Horsham, Redhill and the Sussex Coast. Thameslink also provides links to Bedford, Blackfriars, Brighton, Kings Cross, Luton, and St Albans, while South Eastern run to Edenbridge and Tonbridge.

To walk from East Croydon takes approximately 45 minutes. Exit the station and turn into George Street, follow signs for the shopping centre until you reach North End Road. Turn right in to North End Road and continue walking through the shopping centre.

Continue until you see West Croydon Train Station which should be on your right hand side, and walk down London Road. Croydon University Hospital will be to the right of you.

Taxi services are available from this station.
